I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: *We really need this type of
Specialized Service. When I am in
Alaska which is part of the year. There is
no other way for me to receive my
Compounded medications and I know that
it affects a lot of other people as well.
We need this Service available to use
over.*

on these Compound pharmacists!

Thank you.
